

Pierce Seigne

1719 Chadbourne Ave, Apt #3 • Madison, Wisconsin, 53711 • pseigne@wisc.edu • +1 (802) 369-4961

Education

University of Wisconsin-Madison

Madison, WI

Major: Economics, Bachelor of Science, Minors: Computer Science, History

May 2026

Awards & Honors: Dean's List (3 Semesters)

Relevant Coursework: Intermediate Micro & Macro Economic Theory, Introductory Econometrics (Statistics), Linear Algebra and Differential Equations, Calculus I & II, Econometrics

Technical & Academic Projects

Data Analysis and Big Data (ECON 695)

- Analyzed large-scale geospatial datasets using Python and ArcGIS Pro to extract economically meaningful information
- Applied advanced statistical learning techniques, including regression analysis, time series forecasting, and data clustering
- Collaborated in a team of 4 to author an authoritative report on Election Campaign contributions with over 10 million observations, including an executive summary and full Python replication files

Econometrics with AI and Machine Learning

- Implemented core machine learning algorithms and statistical models, including random forests, regularized estimation, and nearest neighbor algorithms
- Evaluated model performance and optimized the bias-variance trade-off utilizing cross-validation and model selection techniques
- Developed a final project utilizing a machine learning algorithm to predict cross country and track race times based on environmental variables and weather conditions

Experience

FLUNO Center Hotel — *Front Desk Manager*

Madison, WI. May 2024 – Present

- Managed daily front-desk operations, room inventory, and guest flow for a high-volume hotel
- Trained and onboarded new employees on hotel management software, improving efficiency and service consistency
- Resolved guest issues in real time by prioritizing competing constraints under time pressure
- Coordinated scheduling and space allocation to optimize occupancy and guest experience

Leadership & Activities

UW Cross Country and Track - *Athlete*

Madison, WI. August 2022 – Present

- Balanced a 20+ hour weekly Division I training schedule with a rigorous economics curriculum, demonstrating discipline, time management, and consistency
- Earned All-Big Ten Athlete honors and qualified for the NCAA First Round (1500m, 2024)
- Contributed to three Big Ten First Place team finishes through consistent performance and teamwork

Student-Athlete Advisory Committee (SAAC) - *Member*

Madison, WI. August 2025 – Present

- Represented the men's and women's cross-country programs as a liaison between student-athletes and the athletic department
- Advocated for team needs and concerns in semi-weekly meetings with athletes, coaches, and administrators
- Served on the Special Activities Committee, helping allocate SAAC budget and plan outreach events for the local community
- Collaborated with other representatives to organize a campus-wide event for Madison elementary school students, managing logistics and coordination

Skills

Data & Analytics: Stata, R, Python, Pandas, Regression Analysis, Machine Learning, Econometrics, Statistical Modeling

Programming: Python, Java, JavaScript, ReactJS, CSS, HTML

Tools: Microsoft Excel, PowerPoint, ArcGIS Pro, Photoshop, Final Cut Pro
